Explore

LARI

in the heart of the
Tibetan Plateau

LARI

In southwest Qinghai Province the headwaters of the Yangtze, Mekong, and Yellow rivers can be found among towering mountains, abundant wildlife, and Tibetan culture. Wonders abound for adventurous traveler as they explore the Tibetan Plateau region. Six hours from Yushu, in the county of Zhiduo, Lari awaits. Come to this remote area to experience the magnificent Kegawa mountain region. Explore its glacier, high altitude lake, numerous wildlife viewing opportunities, and be treated to a get-away beyond your imagination.

Come and experience:

- Kegawa Mountain
- Horseback Excursion
- Tibetan Home-Stays
- Nomadic Lifestyle
- Tibetan Culture
- Wildlife Viewing
- and much much more!
