Explore

MUQU

in the heart of the Tibetan Plateau

MUQU

In southwest Qinghai Province the headwaters of the Yangtze, Mekong, and Yellow rivers can be found among towering mountains, abundant wildlife, and Tibetan culture. Wonders abound for adventurous traveller as they explore the Tibetan Plateau region. Ten hours from Yushu, in the county of Zhiduo, Muqu awaits.

Come to this remote area to experience the magnificent Snow Leopard Study area. In addition to snow leopard, many other wildlife can be found including wild ass, wild yak, antelope, wolf and more. As well, Muqu has much historical value to offer. Explore Muqu's stunning canyons, mountains, numerous wildlife viewing opportunities, and be treated to a get-away beyond your imagination.

Come and experience!

- Land of the Snow Leopard
- Historical Sites
- Horseback Excursion
- Tibetan Home-Stays
- Nomadic Lifestyle
- Tibetan Culture
- Wildlife Viewing
- and much much more!
